OFFICE OF PETITIONS

In re Application of :
Neil John Graham :
Application No. 10/733,728 : **ON PETITION**
Filed: December 12, 2003 :
Attorney Docket No. 51,179 :

This is a decision on the petition to revive under 37 CFR 1.137(a), filed October 10, 2008.

The petition under 37 CFR 1.137(a) is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(a)". Extensions of time under 37 CFR 1.136(a) are permitted. No fee is required for a renewed petition.

The above-identified application became abandoned for failure to timely file a reply in response to the Notice of Non-Compliant Amendment mailed March 20, 2008. This Notice set an extendable period for reply of one (1) month. No reply having been received, the application became abandoned on April 21, 2008. A Notice of Abandonment was mailed on September 12, 2008.

A grantable petition under 37 CFR 1.137(a) must be accompanied by: (1) the reply required to the outstanding Office action or notice, unless previously filed; (2) the petition fee set forth in 37 CFR 1.17(l); and (3) a showing to the satisfaction of the Commissioner that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unavoidable. The instant petition lacks item (3).

Decisions on reviving abandoned applications on the basis of "unavoidable" delay have adopted the reasonably prudent person standard in determining if the delay was unavoidable: "The word 'unavoidable' ... is applicable to ordinary human affairs, and requires no more or greater care or diligence than is generally used and observed by prudent and careful men in relation to their most important business."¹

Moreover, delay resulting from the lack of knowledge or improper application of the patent statutes, rules of practice or the Manual of Patent Examining Procedure, however, does not constitute "unavoidable" delay.²

With regards to item (3), petitioner states that he did not receive the March 20, 2008 Notice of Non-Compliant Amendment. Petitioner has failed to submit any supporting documentation to evidence non-receipt. To establish non receipt of an office action, a practitioner must:

state that the Office action was not received at the correspondence address of record, and that a search of the practitioner's record(s), including any file jacket or the equivalent, and the application contents, indicates that the Office action was not received. A copy of the record(s) used by the practitioner where the non-received Office action would have been entered had it been received is required. A copy of the practitioner's record(s) required to show non-receipt of the Office action should include the master docket for the firm. That is, if a three month period for reply was set in the nonreceived Office action, a copy of the **master docket report** showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action. If no such master docket exists, the practitioner should so state and provide other evidence such as, but not limited to, the following: the application file jacket; incoming mail log; calendar; reminder system; or the individual docket record for the

application in question.³

Accordingly, on renewed petition, petitioner should submit a copy of a master docket report showing all replies docketed for a due date of April 20, 2008. If no such docket report exists, petitioner should so state for the record.

In addition, it is noted that the petition to revive and the reply to the Office action are contained on the same sheet of paper. Pursuant to 37 CFR 1.4(c), each should be contained in a separate paper.

Alternative Venue and Other Matters:

While the showing of record is not sufficient to establish to the satisfaction of the Commissioner that the delay was unavoidable, petitioner is not precluded from obtaining relief by filing a petition pursuant to **37 CFR 1.137(b)** on the basis of **unintentional** delay. A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by (1) The reply required to the outstanding Office action or notice, unless previously filed; (2) The petition fee as set forth in 37 CFR 1.17(m); and (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional.
